DESIGN HANDBOOK - DAY BED

## ABOUT US

Decode Furniture is driven by a passion for creating exceptional, sustainable, and beautifully designed furniture. With over 10 years of expertise, we specialize in crafting custom-made pieces that elevate both residential and commercial spaces.

Furniture should be more than just functional—it should be a reflection of the space and the people who inhabit it. Our designs combine aesthetic appeal with practical durability, using only the finest materials and expert craftsmanship to ensure each piece stands the test of time.

Every project we undertake is focused on providing a seamless experience, from consultation to delivery. We aim to make the furniture-buying process as simple and enjoyable as possible, with a typical lead time of 60-65 business days to ensure every detail is perfect.

At Decode Furniture, we don't just create furniture; we craft experiences that transform spaces into something extraordinary.

Based out of Vadodara, we serve across India.
